

Distribution Schedule: Q2 Period

The following outlines the consolidated distribution schedule for the Q2 operating period. All authorized agents and regional representatives are advised to confirm allocation volumes with the commercial affairs office prior to the commencement of scheduled distribution windows.

Q2 Primary Distribution Window: To be confirmed by regional coordinators. Agents will receive individual allocation notices no fewer than fourteen (14) business days prior to the opening of each distribution window.

Standard Brand (General): Distribution continues on the established rolling schedule. No changes to existing terms.

Standard Brand (Select): Allocation review pending. Agents with Select authorization will be contacted separately regarding any adjustments to Q2 volumes.

Standard Brand (Reserve): Q2 Reserve allocation has been finalized. Designated accounts have been notified under separate cover.

Special Projects: No scheduled distributions for the Q2 period. Active project stakeholders will be advised individually as applicable.

All schedule inquiries should be directed to the commercial affairs office. Telephone inquiries regarding distribution scheduling are not accepted.
